

***I, WFH***

*No lipstick*

*My lip shows its true colour*

*No uniform*

*My body relaxes in the cosy style*

*No high heels*

*My feet have a nice break*

*Computer plug in*

*Headphone put on*

*Say hello to the screen*

*A new normal*

*Without colleagues around*

*Watch sunrise from the window*

*Walk around my little garden*

*Another day without traffic lights*

*I work from home*

*Amid the lockdown*
