Sonia Wechsler is a Clinical Psychologist, Child and Adult Psychoanalyst, and Training and Supervising Psychoanalyst with the Australian Psychoanalytical Society (APAS). She currently serves as the Deputy President of APAS and is the Asia Pacific Representative on the Psychoanalytic Education Committee (PEC) of the International Psychoanalytical Association (IPA). Sonia teaches and supervises in infant observation and clinical practice, working with clinicians who wish to deepen and refine their therapeutic skills both locally and internationally. She maintains a private psychoanalytic practice in Sydney, Australia.
